About the University

Where Academic Excellence Meets Flexible Learning

Established in 1927, Dr. Bhimrao Ambedkar University (formerly Agra University) is one of India's premier institutions of higher learning. The Centre for Distance & Online Education (CDOE) brings the university's rich academic heritage to learners across India through flexible, technology-enabled education.

Our programs are designed for working professionals, homemakers, and students who seek quality education with the freedom to learn at their own pace. With UGC recognition and NAAC accreditation, degrees awarded through CDOE hold the same value as regular mode degrees.

Online degrees are recognised as equivalent to regular degrees awarded through campus programmes.

As per Regulation 22 of the UGC in 2020, ODL/Online degrees are now regarded as equally valid and credible as traditional, offline degrees.

Built for learners balancing education with life

The Online format can support learners managing work, family, travel or location constraints while progressing through a structured undergraduate management programme.
